Dear Prospective Student,

Thank you for your interest in Navarro College! We are so happy you are considering us as your “college of choice.” Navarro College will offer you a unique environment where you can live and learn with people from all walks of life. You will have the opportunity to fulfill your educational goals as you make new friends on one of our culturally diverse campuses.

Listed below are all the application requirements needed to submit an international application to Navarro College. Fully completed applications must be submitted online by the deadline (see below for dates) of the intended semester for your application to be considered for acceptance and the I-20 being issued. Submitting an application does not guarantee acceptance, which is recommended to keep in mind when planning embassy appointments.

You can find the International Student Application online at [navarrocollege.edu/international](http://navarrocollege.edu/international). Please note that no other submissions will be considered, and if you have any questions about applying online, previous submissions, or anything else please contact the International Committee.

Please allow some time (which can be up until shortly after the deadline of the intended semester) for your application to be considered and to hear back from Navarro College on a final decision. If you have any questions about the application process you can contact Navarro College's International Committee at [nc.international@navarrocollege.edu](mailto:nc.international@navarrocollege.edu).
